

TRAYBACK UTE...

1300 721 811 | info@coffeebella.com.au | www.coffeebella.com.au

The Trayback Ute is a Coffee Van built in a canopy on the back of a Ute. It provides a very practical and stylish option for your mobile coffee unit.

With large lift up doors on all three sides this unit provides a lot of space and allows you a range of options to cater for Coffee, Cold Drinks and Snacks for almost any occasion.

The unit can be built on the cab chasis of almost any utility vehicle 2x2 or 4x4. The canopy itself can be built out of either aluminium or fiberglass. A classy internal fitout highlighting stainless steel and aluminium will meet the highest quality requirements.
